

CORE GROUP KIOSK COVERAGE SCHEDULE

On the date listed by your group's name, please plan to provide Core Group kiosk coverage 15 minutes before and after the weekend services. This is an opportunity for Facilitators and their Core Group Members to help connect people to Christ in Core Groups by offering a welcoming smile and answering questions! At the kiosk you will find an Open Group listing and brochure for handout, a sign-up form for people to fill-in and leave at the kiosk, and a clipboard to make notes of any follow-up that is needed by staff or coaches. Clipboard and request forms will be picked up on Monday for follow-up during the week. If you are unable to serve on the date listed, please contact another Facilitator to arrange a date switch. Please email susan.jannetti@generationscc.com to advise of the rescheduling. Thank you for representing Core Groups!
